

FOR PRIMARY SCHOOLS

Friend of Singa (Primary)

Introduced in 1990, the Friend of Singa (FOS) programme aims to empower students to lead their schools in kindness campaigns where they are tasked to identify social issues and implement solutions to promote kindness within their school community. We hope that students who participate in the FOS programme will recognise the importance of their role in making a difference.

Upon completion of the kindness project, participating schools will be recognised for their commitment and support in building a nation of kindness. Nominated students leading their kindness campaigns will be honoured as Kindness Ambassadors. The Singapore Kindness Movement hopes that by giving the students such recognition, it will encourage their peers to emulate their fine example.

Programme Flow:

1 FOS Registration: 2 January – 31 January 2024

Schools may register their interest in the FOS programme here: <https://fos.kindness.sg/>

Once verified as an FOS participating school, your school may proceed to ideate and draft your FOS Proposal.
